I am writing to recommend addactis® IFRS 17 Solution. Thai Reinsurance uses addactis® IFRS 17 Solution as our IFRS 17 Solution while our subsidiary has been working closely with Addactis over the past few years to overcome IFRS 17 challenges.

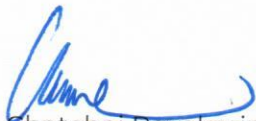

As a reinsurance company, ensuring accurate financial reporting and compliance with regulatory standards is of paramount importance. The transition to IFRS 17 presented a significant challenge for our organization. The IFRS 17 compliance software they provided has supported our data integration and reporting processes aiming at the accuracy, efficiency, and timely regulatory reporting.

What truly sets Addactis apart is their commitment to client success. Their team has been responsive and supportive, ensuring that we have the tools and IFRS 17 Solution's knowledge needed to navigate the dynamic regulatory landscape.

In conclusion, I have no hesitation in recommending Addactis as a trusted partner to help achieve IFRS 17 compliance. Their expertise, dedication, and software solutions will make a significant positive impact on our IFRS 17 reporting processes.

Should you have any questions or require further information, please feel free to reach out.
